

STEERING & EXECUTIVE COMMITTEE

1st semester Report

THE PROJECT

The BAGAP – ΣΕ ΑΝΤΙΜΕΤΩΠΙΣΩ project, led by CCIF Cy, tackles the urgent challenge of preventing gender-based violence (GBV), especially among migrant women in the region of Paphos. It responds to systemic challenges that leave many migrant women unaware of their rights, socially isolated, and unable to access legal or psychological support services.

The Committee

The Committee plays a critical role in providing strategic direction and ensuring that the project stays aligned with its goals. The committee serves as a decision-making body that provides guidance, oversight, and accountability for the project's implementation.

BAGAP – The project

The **BAGAP – ΣΕ ΑΝΤΙΜΕΤΩΠΙΣΤΩ** project, led by CCIF Cy, tackles the urgent challenge of preventing gender-based violence (GBV), especially among migrant women in the region of Paphos. It responds to systemic challenges that leave many migrant women unaware of their rights, socially isolated, and unable to access legal or psychological support services.

Steering Executive Committee

The steering executive committee oversees the project's implementation. The committee ensures strategic guidance, monitor progress, and address any challenges. Regular meetings are held to discuss the project's direction, review milestones, and make necessary adjustments to ensure successful completion.

Strategic Direction of the Steering and Executive Committee

The Committee plays a critical role in providing strategic direction and ensuring that the project stays aligned with its goals. The committee serves as a decision-making body that provides guidance, oversight, and accountability for the project's implementation.

Regular meetings will be held to discuss the project's direction, review milestones, and make necessary adjustments to ensure successful completion.

The project team attends all meetings to actively contribute, update the members of the Committee, provide insights, feedback and support decision-making and smooth coordination.

Key strategies to remain on track:

1. Regular Monitoring and Evaluation of Project Progress

Strategic Action:

The Committee ensures regular monitoring of key performance indicators (KPIs) and project milestones, including reviewing progress.

Goal:

To identify any delays, obstacles, or challenges early in the process and make necessary adjustments to ensure timely project completion and adherence to the goals of reducing GBV and supporting migrant women.

2. Decision-Making for Adjustments and Corrections

Strategic Action:

The Committee makes strategic decisions on necessary changes based on data from evaluations, feedback, and real-time observations.

Goal:

To ensure the project's objectives are met despite unforeseen challenges, and to guarantee flexibility in adjusting the approach without straying from the project's ultimate goal of empowering migrant women and preventing GBV.

3. Stakeholder Engagement and Communication

Strategic Action:

Stakeholder consultation and feedback loops will be incorporated into the decision-making process. The Committee ensures continuous collaboration with key stakeholders, including local organizations, government bodies, service providers, and community leaders.

Goal:

To align the project with the needs and expectations of the community and ensure all partners are working toward the same goals. This aims to build trust and buy-in from external stakeholders, who are essential for sustainability.

4. Advocacy and Policy Influence

Strategic Action:

The committee drives advocacy efforts at local, national, and European levels, ensuring the project's findings, successes, and recommendations reach policymakers who could influence GBV-related policies.

Goal:

Inform about GBV prevention, particularly for migrant women, ensuring that the project's lessons learned contribute to long-term change and sustainable impact.

5. Risk Management and Contingency Planning

Strategic Action:

The Committee ensures a proactive risk management plan, identifying potential risks (e.g., social resistance, cultural barriers, or resource limitations) and implementing contingency measures.

Goal:

To minimize disruptions to the project's execution and to ensure the continuity of project activities even in the face of unforeseen challenges.

6. Regular Review Meetings

Strategic Action:

The Committee holds meetings to assess the project's alignment with its long-term goals and objectives.

Goal:

To assess overall project performance, evaluate risks, and take corrective actions to ensure that the project maintains momentum and continues toward achieving the desired impact.

7. Community members for Continuous Improvement

Strategic Action:

The Committee ensures that feedback from migrant women, survivors, community stakeholders, and project team is regularly gathered and considered in decision-making processes.

Goal:

To ensure the project remains responsive to the needs of the target community and that continuous improvement is factored into ongoing activities.
