

# Green Entrepreneurship for the Future for Youth

Co-funded by the  
Erasmus+ Programme  
of the European Union

Green Enter  
4Future

## PROJECT FOCUS

**GreenEnter4Future** is a project that combines two of the most important challenges in 2<sup>st</sup> century.

**Activate and involve** youth in solving environmental issues and **empower Youth Workers** to help counter the dramatic increase of unemployment situations among young people.

## EXPECTED RESULTS

**GreenEnter4Future will develop:**

1. A **toolkit** to provide a comprehensive educational panorama;
2. A **MOOC** (Massive Open Online Course) to lead youth in green market to seize job opportunities and to create synergies and collaboration in green sector.

Green Enter  
4Future

## WHO IS IT FOR

The project is addressed at strengthening and validating competences of youth, future start uppers, young entrepreneurs, NEET, youth workers, trainers, experts, educators, staff, stakeholders (policymakers, green businesses, consumers) for environmental change, support investments and related growth.
