

**How I can
promote ESC
and multiples
my
knowledge?**

1. How I can promote ESC?

- By devoting a lot of time, energy and resources to the implementation of European Solidarity projects.
- By committing to activities in my local community.
- By creating Jointly creating a positive environment for European Solidarity Corps activities.
- Always taking part in projects funded by national agencies established in each programme country.
- By respecting the principles of the European Solidarity Corps the quality standards of any activity of the European Solidarity Corps.
- Respecting the rules and organisational structure of the host organisation.
- Also respecting the laws in force in the host country
- By participating in training sessions of the European Solidarity Corps

1. How can I multiply my knowledge

- By developing my own personal, social and professional skills by bringing ideas, expectations, needs about my creation and experience to develop my own work-related projects or activities that can take place in a respectful and trusting environment that is receptive to individual characteristics
