LET'S TALK ABOUT YOUTHPASS!

What is it?

Youthpass is a European **recognition instrument** for identifying and **documenting learning outcomes** that are acquired in projects under the **Erasmus+ Youth** and the **European Solidarity Corps** programmes.

Who can use it?

All participants in approved projects can receive a Youthpass certificate as **recognition of their** non-formal and informal **learning**. Team members who wish to document their learning can also obtain the certificate. The organisation that signs the grant agreement is responsible for issuing Youthpass certificates upon participants' request.

Why Youthpass?

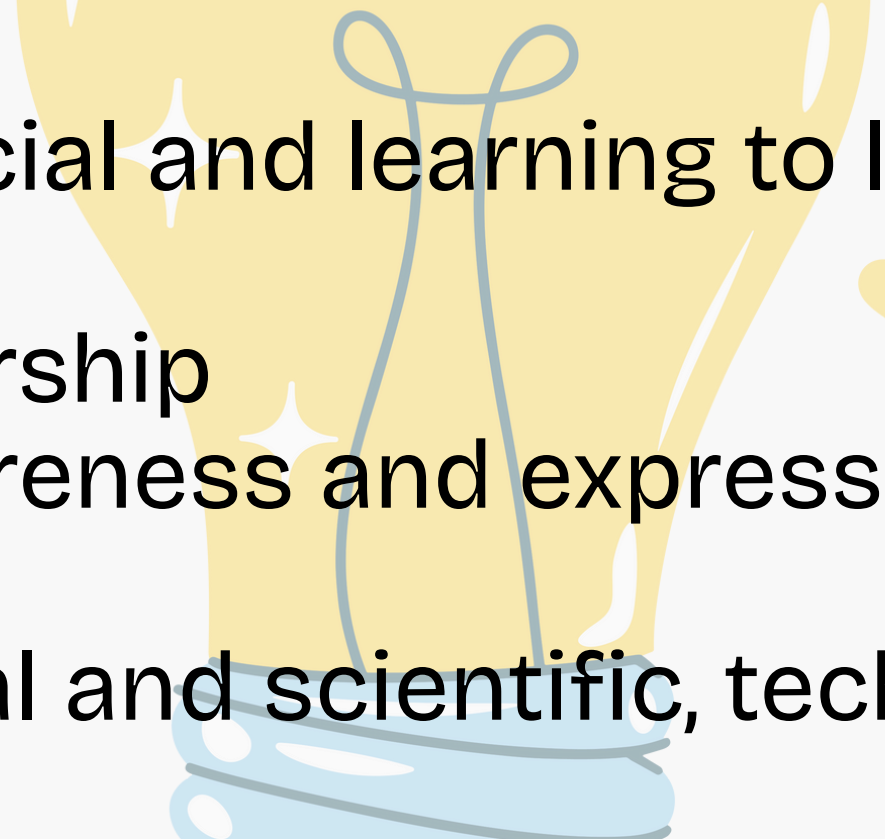

It's useful to:

- Describe **what you have done and learned** in a project
- Become better **aware of the competences** you have
- Become better aware about the different contexts and ways how people learn
- Show and **explain competences** to others, for example in a job interview, at school or for further projects
- **Make further plans** about what you would still like to learn and how
- Have an **official confirmation about your participation** in a project
